

MI LOUD Flower Farms is looking for an experienced TRIMMER!

About Us:

Michigan Loud Flower Farms LLC was started in 2018. Licensed first as a class B medical marijuana grow facility, we are also now licensed as a recreational class C grower.

Loud Flower grew from the desire to grow exceptional cannabis that can be shared with friends and family. Artisanal, medical grade, clean, flavorful cannabis that you will love to smoke and trust to share with others in your life.

We're growing, and we want great people to grow with us!

About the Job:

Trim Techs are key members of the MI LOUD Flower Farms trimming operation. The primary focus of this role is to engage in all aspects of the trim process. Responsibilities include:

- Efficiently and tightly trim cannabis for retail purposes.
- Maintain specified cadence of production
- Assist in basic plant maintenance
- Assist with essential cleaning

Required Skills and Experience:

- Must have strong attention to detail
- Ability to follow verbal and written operating procedures
- Must be able to work independently or in a team setting
- Must be able to follow safety and state cannabis regulations
- Must be at least 21 years of age and be able to pass a background check
- Knowledge and familiarity with cannabis desired

Trim Tech II

- High school Diploma or equivalent
- Ability to trim 1+lbs per day

- Understanding of complete trimming
- Demonstrated experience trimming cannabis

Trim Tech III

- High school Diploma or equivalent
- Ability to trim 1.5+lbs per day
- Understanding of complete trimming
- Demonstrate 2+ years of experience trimming cannabis

Position may be filled at the Trim Tech II or III level depending on candidate qualifications and experience.

Physical Demands

Must be able to use hand tools, use a ladder/scaffold, sit and stand for extended periods of time, kneel, bend, stoop, reach, and routinely lift and carry 50 pounds
